

Welcome to Eynsham Hall. We have put together a list of wines from around the world, some of the classic regions and a few of the lesser known. In the list we have a great range of styles of wine, so there is wine for everyone's palate.

The list features some well known grape varieties such as Chardonnay, Sauvignon Blanc, Riesling and Semillon, while the red varieties include Cabernet Sauvignon, Merlot, Shiraz/ Syrah and Pinot Noir. We have also taken the opportunity to include our new 'Organic Wines' for you to try.

If however, you need help choosing that perfect bottle to complement your meal please ask your server who will be happy to help you with your selection.
